Tail Waggin Tutors

Therapy Dogs International will be here for children to read to the dogs on

September 20 at 4:00. The main objective of this program is to provide a relaxed and “dog-friendly” atmosphere, which allows students to practice the skill of reading. They are often self-conscious when reading aloud in front of other classmates.

Teen Corner: Perler Bead Fanart

Come make a fun free project on September 17 at 5:00. For this project, teens and tweens between grades 5-12 can create a perler bead creation of one of their favorite fandoms. The library will have examples to help with the creative process. Don't know what perler bead art is? It is a type of art in which participants take beads

and place in a pattern to form a shape that looks like pixels. Then

you take an iron and melt it to set the beads into one piece. No skill other than following a design and patience is needed. No sign up is required. See Angie or Jed with any other questions.

As he falls for Elena amidst the brutal chaos of war, Kristoff must find a way to

save her, and himself. Los Angeles, 1989. Katie Nelson is going through a divorce and while

cleaning out her house and life in the aftermath, she comes across the stamp collection of her father, who recently went into a nursing home.
